## SUPPORTS

**Value Added Tax (VAT) Exemption:** Investment machinery and equipment imported and/or locally provided within the scope of the incentive certificate will be VAT exempt.

**Customs Duty Exemption:** Investment machinery and equipment imported within the scope of the incentive certificate will be customs duty exempt.

**Tax Deduction:** The investor's income will be taxed at reduced rates until the total value reaches the amount calculated on the basis of government's contribution rate determined for that specific investment.

**Social Security Premium (SSP) Support (Employer's Share):** The Ministry of Economy will assume the costs associated with the social security premium, to be paid by the Employer for the new staff, in the amount corresponding to the legal minimum wage.

**Income Tax Withholding Exemption:** The withholding tax imposed on the income tax of employees will not be levied for new staff employed within the scope of the investment. This support will be available for the investments in Region 6 only.

**Social Security Premium (SSP) Support (Employee's Share):** The Ministry of Economy will assume the costs associated with the social security premium, to be paid by the Employee recruited for the new investment, in the amount corresponding to the legal minimum wage. This support will be available for the investments in Region 6 only.

**Interest Rate Support:** This support will be available for investment loans which were borrowed to finance the investment with a term of at least one year and which shall not exceed 70% of the fixed investment amount registered on the certificate. The Ministry of Economy will pay a portion of the interest/profit share of the loan up to certain maximum limits.

**Land Allocation:** Government land will be allocated for the investments in accordance with the rules and principles of the Ministry of Finance, depending on availability of such land at the locations preferred by the investor.

**VAT Refund:** VAT collected on the building & construction expenses made for the strategic investments will be rebated provided that the fixed investment amount is over 500 million TL. This support will be available for the investments which are eligible for the Strategic Investment Incentive Scheme.

## REGIONAL INVESTMENT INCENTIVE SCHEME

In each province, the industries to be supported through incentives are determined based on the competitive potential of that specific province. There is a minimum fixed investment amount for each industry and region. While the lowest amount in Regions 1 and 2 is 1 million TL, in the remaining 4 regions it is 500 thousand TL.
